

HEMAS HOLDINGS PLC INTERIM REPORT - 1ST QUARTER 2015/16

CEO's REVIEW

It is a pleasure to present to you the 1st quarter results of the financial year 15/16. The Group has performed well in the quarter recording revenue growth of 22.9%, with Group revenues of Rs. 8.8Bn. Group earnings stood at Rs. 415Mn, a growth of 68.2%

recording revenue growth of 22.9%, with Group revenues of Rs. 8.8Bn. Group earnings stood at Rs. 415Mn, a growth of 68.2%

over the corresponding period last year. We have also just launched our first Hemas Group Sustainability Report providing insight into the Group's sustainability philosophy and initiatives in line with the Global Reporting Initiative G4 guidelines (GRI- G4). The

report can be read at http://www.hemas.com/reports.

From a sectoral perspective the key highlights for the business during this first quarter have been:

Our FMCG sector achieved revenues of Rs. 3.8Bn, a growth of 33.2%. Revenue growth was led by our personal wash, personal

care, feminine hygiene and home care brands, which experienced a growth in general trade as well as in modern trade channels.

Our efforts in building our own distribution network in Bangladesh helped double the topline growth in that market for the period

under review. This growth has fed through to the bottom line with sector earnings up by 35.2%.

Our pharmaceutical distribution business posted a topline growth of 13.3% despite the challenging industry conditions which

witnessed a market decline by 0.6%. We maintained our market leadership position with a share of 22%. Sector growth was

augmented by the healthy performance of our hospitals, which posted a topline growth of 30.3%. Our growing diagnostic network made a notable contribution towards the segment results and both our hospitals at Wattala and Thalawathugoda achieved strong

growth.

JL Morison achieved a topline growth of 57.3% and an earnings growth of 603.5% to Rs. 902Mn and Rs. 73Mn respectively. The

comparison with last year's Q1 performance is not particularly meaningful due to the plant closure last year reducing earnings to

Rs10Mn for Q1 2014/15. Overall JL Morison has made good progress with record performance in our OTC brands Lacto

Calamine, Morison's Gripe Mixture and Valmelix and the recent signing of the Rx pharmaceutical buy back agreement with the

Government of Sri Lanka positioning the company well.

Our Leisure sector experienced slow growth this quarter posting a topline of Rs. 529Mn, a marginal increase of 2.7%. The

performance of the sector continued to be negatively impacted by the depreciation of the Euro contributing to the drop in average

room rates (ADR). During the quarter Club Hotel Dolphin and Hotel Sigiriya were inducted to the TripAdvisor Hall of Fame for

having been recognized for on-line review excellence for 5 successive years. Additionally, all our hotels were honoured with Top

Partner Awards by the leading OTA for Sri Lanka; Booking.com. We continue to make good progress on the construction of the

new Anantara properties at Peace Haven, Tangalle and Kalutara and these are now scheduled to open in November 2015 and

early 2016 respectively.

The Transportation sector posted a topline growth of 19.4% to achieve Rs. 399Mn, while earnings declined by 15.5% to Rs. 83Mn.

Revenue growth was mainly due to the strong performance of the Logistics sector which recorded a revenue growth of 38.7%

due to securing new projects, our warehouses operating at full capacity and the growth in the haulage business via the car carrier

operation. It was a more challenging quarter for the GSA business, which saw a fall in outbound travel.

Overall a solid start to the financial year.
